

Franklin Community Education Foundation

2025 Annual Report

Looking Back at 2025

The Franklin Community Education Foundation was able to support the students at FCS in various ways. All Franklin students entered the school year to find all of the required supplies already in their classrooms. Special supplies were purchased for both the high school science and art classes. Several classes attended field trips to places such as Howe Caverns and the Ross Park Zoo. Our High school FFA Chapter attended the State Conference in Buffalo again this year. The Elementary students read a book with Mrs Glavin, then stuffed their own teddy bears. We purchased books for the school library and several classrooms. We were proud to continue to fund the backpack program, where students receive a bag of food to take home on the weekend. This year you could find us handing out pens and notebooks on Halloween. All of this is made possible by our amazing community! They are always willing to step up and help support all of our fundraisers.

“I realized if you can change a classroom, you can change a community.”

-Erin Gruwell

Scholar of the Month Award Recipients

Temperance Woodard
Daniel Kehoe
Emma Huyck
Hailey Ito
Mason Gillette
Rey Banks
Abigail Gregory
